# PDP Content

## Product Description

**The perfect match for your espresso machine.**

Strike the portafilter against the knock bar for quick, easy and mess-free disposal of the coffee puck. The durable knock bar also is removable for easy cleaning of the inner vessel. The base features anti-slip rubber grip for increased stability on the benchtop.

# PDP Content

DNA Points

## 1. Premium design

Incorporating our Luxe design, the new-look knock box will perfectly complement the Sage range of espresso machines.

DNA Points

## 2. Puck capacity

Conveniently store up to 20 espresso pucks, for quick and easy disposal.

### 3. Easy to clean & empty

Removable knock bar for easy cleaning of the inner vessel.
