

## Multi TWO 13-14

The new standard: Quality and sustainability without compromise.

Introducing the TWO Series – The Story Continues With the TWO Series, we proudly present the successor to our best-selling BASE Series – a proven favourite among professionals worldwide. Built on the heritage of “everything you need – not more, not less”, this new line represents the gold standard for quality at the best possible price-performance ratio. The TWO proves that price sensitivity does not compromise quality or sustainability. Every model combines robust construction, practical functionality, and timeless design, while being produced from high-quality rPET materials. This ensures long-lasting protection for your devices and the reassurance of making an environmentally conscious choice. Designed for everyday use and built to last, the TWO Series offers exactly what matters – reliability, simplicity, and the good feeling of sustainability.
