The values of the nutrients and vitamins are from the time of writing. These values can vary due to natural variation in the ingredients. We reserve the right to change our recipes. For the exact values we refer to the label.

PERFECT FOR CATCHING AMONG OTHERS:

APPLICATION:

This drilled bait contains several attractants which make this product very attractive and palatable with a long lasting effect. The Red Halibut is an ideal bait for specimen hunters for carp, catfish and barbel. Just like the Black Halibut, this Red Halibut is very water stable and can be used for a long period of time.
