PSU cable accessories

A selection of UltraFlex DC wires that twist and bend to fit your installation – not fight it. Fully compatible with all PSUs from Ion Gold, Ion+, Ion SFX or Anode Bronze with unoccupied 6- or 8-pin sockets.

Key features

- Our UltraFlex™ DC wires enable effortless cable-routing as they twist and bend to fit your installation—not fight it
- Fully compatible with any Ion Gold, Ion+, Ion SFX or Anode Bronze PSU with unoccupied [6- or 8-pin] sockets (6-pin for SATA, 8-pin for PCI-E and ATX12V)
