**amazfit** 

## Package Contents

Smartwatch with band × 1

Charging base × 1

Instruction Manual × 1

## About the Watch

Upper button:

1. Press and hold the upper button to turn on/off or restart the watch.
2. Click the upper button to go to the application list.
3. Rotate to switch pages.

Lower button:

Press the lower button to start a specific application.

Note: If the watch cannot be turned on by pressing and holding the upper button, charge the watch and try again.

## Pairing the Watch

1. Use your mobile phone to scan the QR code on the right side to download and install the app, or search for the app in the Google Play Store or Apple App Store and then download and install the the latest version of the app.
2. Open the app, register an account and log in.
3. Pair the watch as prompted by the app.

### Note:

1. For better user experience, please use the most recent version of the app.
2. The operating system needs to be Android 7.0, iOS 12.0, or above.
3. Do not pair the watch directly using your mobile phone's Bluetooth. Follow the steps in the app to pair your watch correctly.

Download Zepp App

## Charging the Watch

1. Connect the watch's charging cable to a power adapter or a computer's USB port.
2. Put the watch into the charging base. Pay attention to the direction and position of the watch, and make sure that the metal contacts on the back of the watch fit closely with the charging base.
3. When charging starts, the watch screen displays the charging progress.

### Note:

1. Please use the charging base that comes with the watch. Make sure that the charging base is dry before charging.
2. Please use a 1A or above power adapter.

## Disassembling and Assembling the Watch Strap

Please refer to the illustrations to disassemble or assemble the watch strap.

Note: Once the strap is assembled, pull the strap properly to ensure it is installed successfully.

## Wearing the Watch

1. Wear the watch strap neither too tight nor too loose, and leave enough space for the skin to breathe. This makes you feel comfortable and allows the sensor to function.
2. When measuring blood oxygen saturation, wear the watch correctly. Avoid wearing the watch on the wrist joint, keep your arm flat, maintain comfortable (appropriately tight) fitting between the watch and the skin of your wrist, and keep your arm still throughout the measurement process. When affected by external factors (arm sag, arm sway, arm hair, tattoo, etc.), the measurement result may be inaccurate or the measurement may fail and provide no output.
3. We recommend that you tighten the watch strap during workout and loosen it afterwards.

## Basic Parameters

Product Name: Smart Watch	WLAN: 2.4 GHz 802.11 b/g/n	Operating temperature: 0°C to 45°C
Product model: A2166	Bluetooth output power: <18 dBm	Water resistance rating: 5 ATM
Input: DC 5 V 500 mA MAX	BLE output power: <5 dBm	Bluetooth frequency: 2402–2480 MHz
Bluetooth version: V5.0	Wi-Fi output power: <18 dBm	Wi-Fi frequency: 2402–2480 MHz

View product certification information on the watch's [Settings > System > Regulatory](#) page.

Device requirements: Devices installed with Android 7.0 or iOS 12.0 or above OS versions

Package Contents: Smartwatch with the band, Charging base, Instruction manual

Please refer to the watch user interface to see the software version.

## Battery Safety

1. This device is equipped with a built-in battery that cannot be removed or replaced. Do not disassemble or modify the battery by yourself.
2. Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
3. Leaving a battery in an extremely high temperature surrounding environment can result in an explosion or the leakage of flammable liquid or gas.
4. A battery subjected to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas.

## Safety Notice

1. Do not allow children or pets to bite or swallow the product or its accessories, as this may cause injury.
2. Do not place this product under excessively high or low temperatures, which may cause the product to catch fire or explode.
3. Do not place this product near heat sources or open flame, such as ovens and electric heaters.

4. Some people may experience allergic skin reactions to plastics, leathers, fibers, and other materials, and symptoms such as redness, swelling, and inflammation will occur after long-term contact with this product's components. If you experience such symptoms, please discontinue use and consult your doctor.
5. Do not use unauthorized or incompatible power adapters or data cables, which may damage the watch and accessories, or cause fire, explosion, or other hazards.
6. The radio waves generated by this product may affect the normal operation of implanted medical devices or personal medical devices, such as pacemakers and hearing aids. If you use any such medical devices, consult the manufacturer for relevant usage restrictions.
7. Do not dispose of this device or its accessories as ordinary household waste. Please make sure you dispose of or recycle this device and its accessories in accordance with local laws and regulations.

## Repair and Maintenance

1. Avoid using detergents such as soap, hand sanitizer, bath foam, or lotion for cleaning to prevent chemical residues from irritating the skin, corroding the device, or degrading the water resistance of the device.
2. After wearing the device while bathing (for devices that support bathing), swimming (for devices that support swimming), or sweating, please promptly clean and dry the device.
3. The leather strap is not waterproof. Avoid getting the strap wet, as this may shorten its service life.
4. When using light-colored watch straps, avoid contact with dark clothing to prevent staining.
5. Do not wear your watch during snorkeling, hot showers, hot springs, saunas (steam rooms), diving, underwater diving, water skiing, and other activities involving high-speed water currents.
6. Do not place the device in direct sunlight for long periods. Excessively high or low ambient temperature may cause device failure.
7. Handle with care during transportation. Keep the device dry and away from humidity.

## Warranty and Return Policy

The Amazfit Limited Warranty covers Amazfit products against manufacturing defects beginning on the original purchase date. The warranty period is 12 months or another specified period as the applicable consumer laws in the consumer's country of purchase require. Our warranty is in addition to rights provided by applicable consumer laws.
