# COMPACT & PORTABLE

Alienware's new **space-saving Tenkeyless Gaming Keyboard (AW420K)** helps you win back valuable desktop real estate while staying at the top of your game. Whether you're creating a clean-desk setup or looking for more room to maneuver your mouse, this smaller form factor design drops the number pad to maximize space and free up more area for fast-action swipes with your favorite peripherals.

## STREAMLINED DESIGN, SLIM PROFILE

Slip the keyboard into your backpack with ease alongside your laptop and headset whenever it's time to hit the road to go meet your next challenger.

## DETACHABLE CABLE

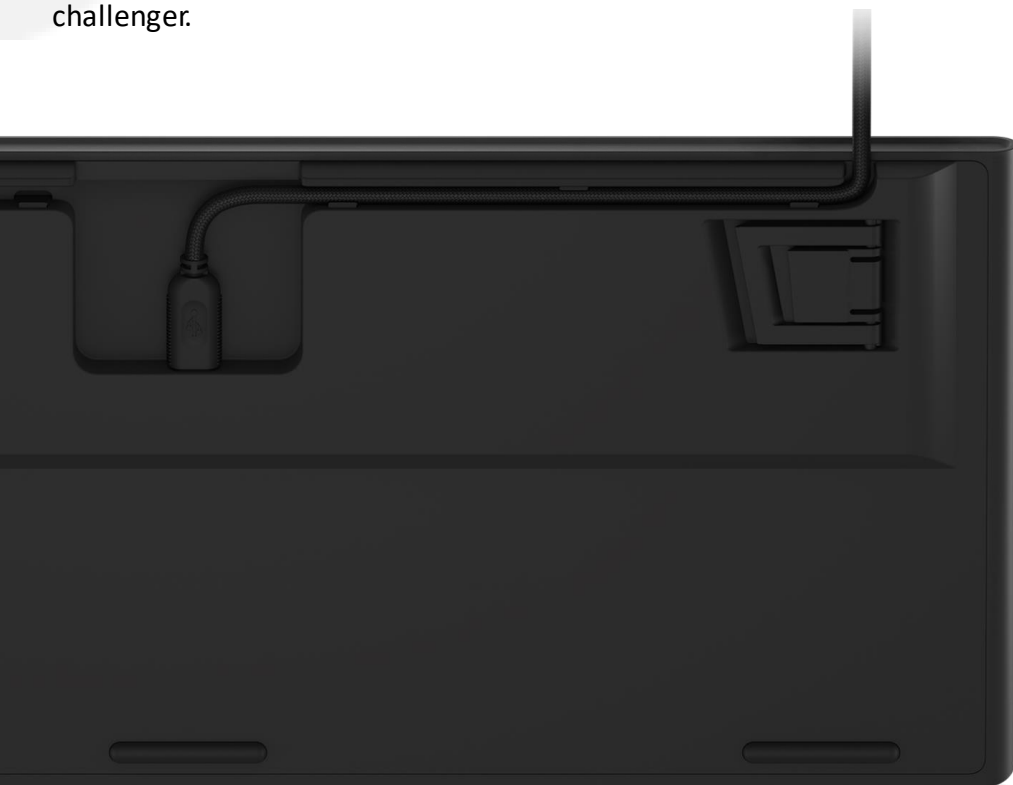

Remove the USC-C to USB-A paracord cable when not in use to create cleaner lines for easier travel and storage.

## INTEGRATED CABLE ROUTING

Direct the connection cable left, right, or center on the underside of the keyboard to keep it out of the way and better coordinated with your gaming setup.

## THREE HEIGHT SETTINGS

Choose your preferred gaming and typing angle from the three levels offered by the keyboard's flip-up risers.

# UNCOMPROMISED GAMING PERFORMANCE

## DOUBLE-SHOT PBT KEYCAPS

Double-shot PBT (Polybutylene Terephthalate) keycaps feature two layers of plastic molded together for reliable durability with key legends molded into the caps for dependable rigidity and wear resistance.

## FULL ANTI-GHOSTING & N-KEY ROLLOVER

Ensure every key press counts and your keyboard remains responsive during intense gaming sessions with full anti-ghosting and N-key rollover.

## WINDOWS KEY DISABLE

Prevent the disruptive effects of accidental Windows key presses during fast-paced gameplay by toggling on this convenient feature.

## FULLY PROGRAMMABLE KEYS, ONBOARD MEMORY & SELECTABLE PROFILES

Customize key commands and macros to support your unique play style with fully-programmable keys, onboard memory, and selectable user profiles.

## CHERRY MX SWITCHES

Experience long-lasting, consistent high-performance with industry-leading CHERRY MX Red switches that feature smooth operation and a 100 million actuation lifecycle.

- 100M Actuations
- Red
- Linear Switching
- No Click
- Smooth Operation

# IMMERSIVE EXPERIENCE

## ALIENFX LIGHTING

AlienFX per-key RGB lighting configurable with Alienware Command Center delivers a customizable and more immersive gaming experience with up to 16.8 million colors.

## EASY CLEANING & MAINTENANCE

A smooth metal top plate provides a reliable rigid surface for the direct mount of the switches - bolstering gaming durability and helping to make cleaning and maintenance simple and quick.
