DISPLAY YOUR WAY

Display your reconfigurable model as a table centrepiece or use the two mounting brackets to hang it on your wall.

Combine two sets to create a four-spoked centrepiece, or three sets for a large six-spoke centrepiece (for table decoration only).

DISCLAIMER: The mounting brackets can support one set. Combined sets should not be mounted on walls.

EVERLASTING CREATIVITY

🌿 Florists, interior designers and flower enthusiasts everywhere love getting creative with dried flowers. From delicate grasses to majestic petals, dried foliage makes such versatile décor for centrepieces, vase arrangements and wall art that can last for months, even years. With this latest addition to our LEGO® Botanical Collection, we hope you will feel inspired to turn your own 'LEGO everlastings' into a lush centrepiece in warm autumn colours.

Enjoy building!

PLANTS FROM PLANTS

»»» 'Fresh flowers are nature's gifts. There is so much beauty in preserving them, giving them lasting life, and celebrating them as works of art. But did you know that your LEGO® dried flower art also has elements made from plant-based plastic?'
