

DELUXE FOLDAWAY FOOT SPA

a relaxing moment of indulgence

Treat your feet and lower legs to a spa-like experience right at home. This deluxe foot spa offers a full suite of features to rejuvenate and refresh tired soles, including reflexology rollers that target key pressure points, gentle vibrations that soothe away the day's stresses, and hydro-jets that provide a relaxing massage. Customise your session with three different heat settings to keep the water at your desired temperature, enhanced by calming Hydro-Jets for ultimate relaxation.

The included pumice stone tool is perfect for exfoliating, and the anti-splash shield ensures a clean and tranquil environment. Convenience is key with a detachable remote control, allowing you to adjust settings without interrupting your comfort. And when your relaxation time is over, the spa folds flat for easy storage.

- ▶ Six reflexology roller massagers help rejuvenate and refresh tired feet.
- ▶ Hydro-Jet bubbles gently massage the soles of the feet adding an extra indulgence to your experience.
- ▶ Powerful 500W heater: heats-up and maintains water temperature.
