Manage Send-to-Kindle email settings and personal documents delivery options

Kindle Personal Documents service makes it easy to take your personal documents with you, eliminating the need to print. You and your approved contacts can send documents to your device by e-mailing the documents to your Send-to-Kindle e-mail address. You can also send documents to your Kindle using Send to Kindle, which is available to download for free at [www.amazon.com/sendtokindle](http://www.amazon.com/sendtokindle). [Learn more](#)

## The following will help keep your Send to Kindle email address secure:

- Ensure your Send-to-Kindle email address is different than any other email addresses you use.
- Use a combination of uppercase letters, lowercase letters, and numbers.
- Avoid including any personally identifiable information.

## Personal Document Archiving

When this option is enabled, personal documents sent to your **Send-to-Kindle e-mail address** will also be added to your Kindle library.
