Coravin[®] Sparkling[™] Wine Preservation System

Preserve the crisp flavor and effervescence of all sparkling wines for up to 4 weeks, guaranteeing that every pour tastes as good as the first.

1. Uncork & Pour

Remove cork and foil around the neck.
Pour sparkling wine.

2. Stopper

Raise Locking Handle until you can see unlock symbol. Place Sparkling Stopper on bottle. Firmly press Locking Handle down until flush with bottom of Stopper.

3. Charge

Place the sparkling wine bottle in a Coravin Bottle Sleeve. Align the Sparkling Charger on top of the Stopper and press straight down firmly. Hold until Pressure Indicator turns green.

NEXT USE

Remove Stopper

Tilt Stopper to release pressure. Then raise Handle to unlocked position and remove Stopper. Pour wine and repeat steps 2 and 3.
