# Highlights

## Made with Silica Gel

Contains silica gel particles that are odorless, non-toxic and non-corrosive, boasting a high moisture absorption rate to guarantee freshness in every mouthful.

## Optimal Freshness

To keep your cat's food fresh, it's essential to replace the filters regularly. We suggest changing them every 30 days to maintain optimal freshness.

## Easy to use

To maintain its effect, only open the airtight outer packaging when needed for use. Secure the inner leak proof sachet in the slot located on the top of the feeder.

## 12 Bags

Each pack contains 12 bags, so you'll have more than enough to keep your cat's Smart Feeder running smoothly for a year
