Highlights

2 heating zones

Two grilling areas allow you to set the temperature independently, cooking different foods at the same time.

Adjustable temperature

Five temperature levels grill any ingredient to perfection.

Reversible plates

Flip the plates to griddle or grill. Cook everything from meat to vegetables, eggs, and pancakes.

Large grilling surface

The 1400 cm² grilling surface meets all your needs for delicious meals with family and friends.

Maifan stone coating

The grill plate is coated to prevent food from sticking and protect against scratching.

2400 W

Warm up quickly and maintain the high temperatures needed for grilling with 2400 watts of heating power.

Dishwasher-safe parts

After your meal, place the removable parts in the dishwasher.

Removable grease tray

Fat melts away and is collected in the removable drip tray.

Splash guard

Keep your countertop tidy.
