Replacement Filter
Replacement Filter**

XV1210/01

- 1x Washable motor filter
- 1x Washable foam inlay
- 1x Exhaust filter

Replacement kit for Bagless Vacuum 1000 Series*

Original filter replacements from Philips

- Exhaust filter
- Washable motor filter
- Washable foam filter

Highlights

Exhaust filter

The kit contains 1x exhaust filter. The filter catches fine dust before the air is expelled back into the room. This results in a clean, dust-free air in your home.

Washable motor filter

The kit contains 1x washable motor filter. This provides high filtration levels and prevents fine dust from reaching the motor and damaging it. The filter can be washed.

Washable foam filter

The kit contains x 1 washable foam inlay filter. This filter is providing additional protection to the motor and should be placed next to the washable motor filter. The filter can be washed.
