# Hairdryer

11994  
K9 2600

## K9 2600

DRIES AND KEEPS HAIR HYDRATED,  
DEFINED STYLING,  
WITHOUT ANY FRIZZINESS

2300W Hair dryer with ion technology that maintains the moisture of your hair and reduces frizziness while drying.

Equipped with a concentrator to accurately dry and style and a diffuser to define curls by adding volume.

Ideal for frizzy hair. Includes a kit containing a brush and 2 clips, to help you style your hair.

## K9 2600

- **Ion technology**

The release of ions maintains the hydration of the hair, whilst helping to reduce frizz.

- **Power 2300W** DC motor
- **2 speeds, 3 temperatures** for personalised drying.
- **Cold air shot** to fix your style in place
- Attachment ring
- Removable filter
- Cable length 1,8 mt

## K9 2600

### **PRECISION NOZZLE**

Concentrate airflow to dry the locks so that they stay in place and styled.

### **PROFESSIONAL DIFFUSER**

The 80 air output holes with increasing dimensions from the centre to the outer part of the diffuser, allow an even distribution of air to gently dry the curls and help define them.

The rounded tip of the fingers ensures a gentle action on the scalp.

## K9 2600

### PROFESSIONAL ROUND BRUSH 42 mm

For shaping and creating your favorite styling.  
Equipped with accessory to select hair.

### STYLING CLIPS

2 convenient clips that help separate the hair, making  
drying and styling easier

**K9 2600**

design  
& accessories

### **LIGHT & ERGONOMIC**

Ergonomic design conceived specifically to reduce the hairdryer's weight, offering greater ease of use and more control during styling.

### **BELLISSIMA BEAUTY BAG**

Practical case, perfect for use when travelling.
