

**PHILIPS**

## Philips 2000 series Robot Vacuum Cleaner

XU2000/25

- Vacuum and mop in one go
- Double the suction power<sup>1</sup>
- LDS radar navigation
- Customization with HomeRun App

## Discover the ease of returning to a cleaned home

Daily wet & dry cleaning without effort.

- Vacuum and mop in one go, clean dust and dirt effortlessly
- Extra strong suction power for picking up dust and dirt
- Increases suction power automatically on a carpet
- Maximum coverage of your floor: doesn't miss a spot
- Cleans up to 120 minutes on a single battery charge
- Personalize your cleaning and tailor it to your home's needs

\*1 - Compared to XU2000/10 & XU2000/20.

\*\*2 - Tested with vacuum only mode in the highest suction power setting.

\*\*\*3 - Tested with vacuum only mode in the lowest suction power setting.

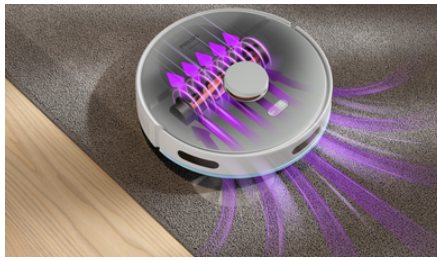

# Highlights

## Vacuum and mop in one go

The robot vacuums and mops hard floors in one go to tackle the fine layer of dust that builds up on floors every day. Removing more fine dust than vacuuming alone, ensuring clean feet even when barefoot.

## Double the suction power<sup>1</sup>

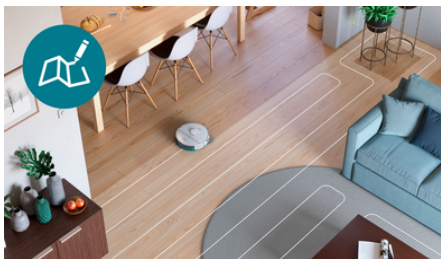

The robot has up to double the suction power<sup>1</sup> so it can pick up large dirt, like crumbs and pet hair. It takes care of the everyday dirt build-up on the floor, as well as removing finer dust from carpets and rugs<sup>2</sup>.

## Carpet boost

The robot automatically boosts suction power when it has driven onto a carpet or rug to capture fine dust particles hidden deep inside the carpet<sup>2</sup>.

## LDS radar navigation

Transform your cleaning experience with our robot vacuum's LDS radar technology, offering 360-degree scanning for a meticulously mapped home. Navigate effortlessly through multiple rooms with unmatched precision, ensuring thorough floor coverage. Enjoy a spotless environment, even in low-light conditions.

## Long battery run time

Experience uninterrupted cleaning with no battery worry, offering up to 120 minutes<sup>3</sup> of runtime, enough for up to 120 m<sup>2</sup> on a single charge. When the battery runs low, the robot will automatically to recharge. Once the battery is charged, it will return to the place where it stopped to resume the cleaning.

## HomeRun App

The Philips HomeRun robot app has been designed to be intuitive and easy to use. It features step-by-step guidance and helpful videos to ensure you get the very best out of your robot. The app communicates with your robot to control, report and update on its cleaning performance wherever you are, showing in real time where the robot has cleaned. Specify how you would like to clean each room, let the robot know where it can't go or schedule a cleaning session so you can come home to a spotless floor.

# Specifications

## General Specification

Primary Material: ABS plastic  
Color: Arctic white  
Functions: Vacuum and Mop in one go  
Product Type: Robot Vacuum Cleaner  
Wet cleaning functionality: Yes  
Carpet boost: Yes  
Type of main brush: Rubber brush with bristles  
Liftable main brush: No  
Filter-Type: Washable EPA 11  
Hair detangling: No  
Nr. Of side brushes: 1  
Mop Technology: Passive mop  
Liftable mop: No  
Can be used with detergents: No  
Type of navigation: LDS  
Small obstacle detection: No  
Obstacle crossing ability: up to 17mm  
Dirt detection: No  
Automatic carpet detection: No, create No-Mop zones in app  
Internet connectivity: Connect via Wi-Fi, Dual band  
Wi-Fi range: 2,4 GHz & 5 GHz  
Smart home compatibility: Yes, basic controls through Alexa & Google  
Capacity Clean Water Tank (in robot): 300 ml  
Capacity Dust Bin (in robot): 380 ml  
Integrated on /off switch: Yes  
Power light: Yes  
Noise level (standard): ≤ 68 dB  
Auto recharge function: Yes, will charge when the battery is empty and continue where it left off when done charging.  
Battery runtime: up to 120 minutes  
Recharge time: max. 5.5 hours  
Battery capacity: 2600 mAh  
Removable battery: Yes  
Certifications: CB  
Suction power: 6000 Pa  
Battery Product: Yes  
Battery type: Lithium-ion  
Voltage: 14.4 V  
Frequency: 50/60  
Warranty: 2 years  
EU declaration of conformity: Yes  
Produced In: China

## Station

Auto-Emptying functionality: No  
Mop cleaning functionality: No  
Mop drying functionality: No  
Automatic refilling of robot: No  
Automatic collection of dirty water: No  
Cord length: 1.55 m  
Cord storage: Yes  
Charging Station: Yes

## App

APP name: Philips HomeRun  
Operating system: Android 6 & above; iOS 11 & above  
How to use videos: Yes  
Quick mapping function: Yes  
Multi-floor mapping: Yes, save up to 5 maps  
Select which room(s) to clean: Yes  
Select cleaning mode per room: Yes  
Select room cleaning sequence: Yes  
Cleaning modes: Dry and wet, dry only, single drag, vacuum first, then mop  
Suction power levels: 4  
Mop wetness levels: 3  
Restricted zones: Virtual wall, no-go zone, no-mop zone, no climb zone  
Clean while you're away: Yes  
In-app alerts and notifications: Yes  
Cleaning report and history: Yes  
Maintenance dashboard: Yes  
Scheduled cleaning: Yes  
Contact consumer care: Yes  
Automatic updates: Yes  
App availability: Only available in robot's country of purchase and if the app store is set to the country of purchase
