By approving this artwork proof, you acknowledge and agree that:  
1. The artwork proof is accurate as compared to your original artwork file, including color, line weight, and any other adjustments.  
2. The placement of art is approximate with a standard acceptable shifting tolerance of up to .0625" or 2mm.  
3. Ink colors in artwork are approximate and may display differently depending on your monitor or screen. For the most reliable color matching, please reference the PMS codes on the artwork against a physical Pantone Solid Coated swatch book.  
4. MiiR is not responsible for replacement/refund of products that are deemed incorrect after you approve this proof.  
5. Your artwork constitutes a User Submission, as such term is defined by the MiiR B2B Terms & Conditions.
