# moto

INSTA-SHARE PROJECTOR

motomods

Attach your Moto Mod™

Align the camera lens on the back of your phone with the projector, and then align the sides and bottom of the phone with the projector until they snap together.

Note: Make sure the connectors are clean and dry. Also, remove your phone case if you use one.

Moto Mod Connectors

Caution: Before using your device, please read the safety, regulatory, and legal information at the back of this guide.
Quick setup

When you attach the projector, your phone automatically guides you through setup. Follow the on-screen instructions to get started.

Start projecting

Aim the projector away from your eyes at a light-colored wall or ceiling in a darkened room. Press and hold the projector's Power button until the projector turns on to begin projecting.

Tip: While projecting, press the Power button to adjust settings, like brightness. See more settings on **page 3**.

Focus wheel

Air vent (on back)

Air vent

Power button
Press & hold to start/stop projecting.

Warning: Avoid looking directly at the projector lamp. The bright light may damage your eyes.

Adjust settings

To **focus** the image, use the focus wheel next to the projector's lamp.

Or, with the projector on, press the Power button to adjust these settings on your phone screen:

- **Keystone image correction**: Change the angle of the projection to make the image rectangular.
- **Brightness**: Adjust the projection brightness (not your phone's brightness).
Remove it

To detach the projector from your phone, place your finger in the notch at the bottom of the projector and pull it away from your phone.

Note: Be careful not to put your finger in the phone's USB charging port.

Charge it

Charge up fully before starting your projector.

Tip: If your phone is still attached to the projector, charging the phone is the best way to charge both at the same time.

Charging status lights

Press the button to check the battery level.

|	
Charging	slow blinking green
Full charge	rapid blinking green, or steady green when charging
Partially charged: 51-99% 16-50% 6-15%	steady green, then off steady amber, then off steady red, then off
Very low power	rapid blinking red

Use the kickstand

Pull out the kickstand and adjust the angle.

Project on a wall: **Or, project on a ceiling:**

Tips & Tricks

Looking for more?

- **Air vent**: Keep the air vents on the projector side and back unblocked. (See **page 2**.)
- **Cleaning**: To keep your projector lens clean and free of dust, use a soft, dry cloth.
- **Connection vibration**: When you successfully attach your Moto Mod to your phone, you feel a slight vibration.
- **Reset**: Press and hold the battery check button (see **page 4**) for seven seconds until the light blinks green.

Safety, Regulatory, & Legal

Important: This product contains magnets and may damage magnetic information, such as credit card strips and ID cards.

Where is my legal, safety and regulatory information?

In order to provide you with better access to this important information, we've made the materials accessible from the phone's settings menu and on the web. Review these materials prior to using your device. To access the materials from a connected phone, go to **Settings** > **Legal information**, and select a topic. To access the materials on the web, visit
www.motorola.com/device-legal.

Battery Safety

Before assembling, charging or using your mobile device for the first time, please read the important product safety and legal information provided with your product.

If your mobile device becomes unresponsive, try a reboot—press and hold the Power button until the screen goes dark and your device restarts.

For your safety, the battery in your mobile device should only be removed by a Motorola approved service center or independent qualified professional. Don't try to remove or replace the battery yourself—doing so may damage the battery and could cause burning and injury. Don't crush, bend, or expose your mobile device to heat or liquid. This may damage the battery and may cause burning and injury.

European Union Directives Conformance Statement

This product complies with the applicable EU requirements and carries the CE mark.

$ C \epsilon $

The Technical Construction File (TCF) is available from the Certifying Organization at Motorola Mobility UK Ltd.,

Redwood, Crockford Lane, Chineham Business Park, Basingstoke, RG24 8WQ, UNITED KINGDOM.

FCC and IC Compliance

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Disposal & Recycling

Help do your part! Please don't dispose of mobile devices or electrical accessories (such as chargers, headsets, or batteries) with your household waste. Product packaging and product guides should only be disposed of in accordance with national collection and recycling requirements. For details on approved national recycling schemes and Motorola recycling activities, go to: **www.motorola.com/recycling**.

Open Source Information

This Moto Mod accessory is intended to be interfaced with a Motorola mobile device and may include Open Source Software (the "Software") Copyrighted and distributed under an MIT license and BSD-style licenses, including a Modified BSD license, a BSD-like license and a BSD compatible license.

The open source software is distributed WITHOUT ANY WARRANTY; without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. See for example the declaimer provisions in BSD Licenses identified above.

To view the text of the licenses, acknowledgments, and required copyright notices for the open source software used on this Moto Mod, tap Apps > **Settings** > **Moto Mods** > **Legal Information** > **Open source licenses** on the Motorola mobile device after it is connected to this Moto Mod.

Warranty

This product is covered by Motorola's limited warranty. To review the warranty on your phone, go to **Settings** > **Legal information** > **Warranty**, or visit **motorola.com/device-legal**. You may also obtain a copy of the warranty by contacting Motorola at: Motorola Mobility LLC, Attention Customer Service--Warranty Request, 222 West Merchandise Mart Plaza, Suite 1800, Chicago, IL 60654.

Arbitration & opt-out

Any controversy or claim arising out of or relating to any Motorola product will be resolved by binding arbitration, instead of in court, unless you opt-out. To opt-out, send a written rejection notice within 30 days of purchase that includes your name, address, phone number, device, and device serial number, and tells Motorola that you are rejecting this Arbitration provision to: Motorola Mobility LLC, 222 West Merchandise Mart Plaza, Suite 1800, Attn: Arbitration Provision Opt-Out, Chicago, IL 60654 or arbitrat@motorola.com. For more information on this arbitration provision, on your phone, go to **Settings** > **Legal information** > **Arbitration and Opt-out**, or visit **www.motorola.com/device-legal.**

Service & Repairs

If you have questions or need assistance, we're here to help. Go to **www.motorola.com/support**, where you can select from a number of customer care options. You can also contact the Motorola Customer Support Center at 1-800-734-5870 (United States), 1-888-390-6456 (TTY/TDD United States for hearing impaired), or 1-800-461-4575 (Canada).
