Enjoy Continuous Mobility Wherever You Go

PT100 Power Bank

PT100 Power Bank

The PT100 Power Bank offers high-capacity 10000mAh charging via two USB outlets. Charge your smartphone and tablet simultaneously and quickly. Use your PT100's handy LED flashlight to light up your mobile life!

## Worry-Free, Continuous Charging

No need to worry about running out of power when you're on the go! The PT100 comes with a whopping 10000mAh charge capacity – enough for up to 3.7 full charges for an iPhone, and 1 charge for an iPad Mini.

4-Mode LED Lighting

ADATA's PT100 Power Bank also works as an LED flashlight with 4 lighting modes. Just press and hold a button for 2 seconds to turn on the built-in flashlight. Press the button quickly to switch between flashlight modes. Whenever you need to use your PT100, it remembers which mode you last used.

3.7 times iPhone
1 time iPad mini
10000mAh

*Based on lab test results. Your results may vary depending on your device and the Power Bank charge conditions.

Output 1A
Output 2.1A

Power Off → Flashlight → Accent Light → Rapid Flashing Light → Slow Flashing Light
