Introduction

Zyxel Multy X app helps you install Multy X Devices and manage the Multy X WiFi System directly with your Android or iOS device.

Compatibility

- Android 5.0 or later
- iOS 9 or later.

Use the Multy X App

You can log in and use the Multy X app with or without a myZyxelCloud account.

With a myZyxelCloud account, all your configurations will be stored in the myZyxelCloud server. You then can log in and use the app on any mobile device to manage your Multy X WiFi System once it has been set up. Moreover, the Multy X Devices can work with Amazon Alexa after the myZyxel account is linked to Alexa.

| Q Multy X | <u>Step 1</u> |
|-----------|---|
| ~~~~ | EN: Install the Multy X app from Google Play or the Apple |
| | App store. Then tap the Multy X icon to open it. |
| | DE: Installieren und öffnen Sie die Multy X App. |
| × | FR: Installez et ouvrez l'application Multy X. |
| | TW:請下載Multy X App進行安裝體驗。 |
| | |

<u>Step 2</u>

- EN: Install and open the Multy X App. Follow the App instructions to set up your WiFi system.
- DE: Folgen Sie den Anweisungen der App, umlhr WiFi System einzurichten.
- FR: Suivez les instructions de l'application pour configurer votre système WiFi.
- TW: 依照App上提示步驟,完成無線網路系統設置。
