WARNING

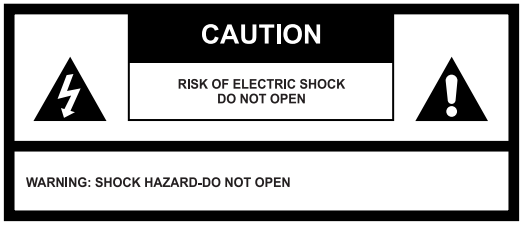

1. WARNING: Please refer the information on exterior bottom enclosure for electrical and safety information before installing or operating the apparatus.
2. WARNING: To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture. The apparatus shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on apparatus.
3. WARNING: The battery (battery or batteries or battery pack) shall not be exposed to excessive heat such as sunshine, fire or the like.
4. WARNING: The mains plug is used as disconnect device, the disconnect device shall remain readily operable.
5.  Invisible laser radiation when open and interlocks defeated. Avoid exposure to beam of laser.
6.  Correct Disposal of this product. This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
7. No naked flame sources, such as lighted candles, should be placed on the apparatus.
8. Attention should be drawn to environmental aspects of battery disposal.
9. Use of the apparatus in moderate climates.
10. The rating and marking information are located at the bottom of the unit.
11. Excessive sound pressure from earphone and headphones can cause hearing loss.
12. The mains plug of unit should be obstructed or should be easily accessed during intended use.
13. To be completely disconnect the power input, the mains plug of apparatus shall be disconnected from the mains.
14.  This equipment is a Class II or double insulated electrical appliance. It has been designed in such a way that it does not require a safety connection to electrical earth.

CAUTION

Danger of explosion if battery is incorrectly replaced.
Replace only with the same or equivalent type

WARNING

TO PREVENT FIRE OR SHOCK HAZARD DO NOT EXPOSE THIS APPLIANCE TO RAIN OR MOISTURE.

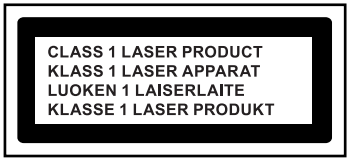

LIGHTNING FLASH WITH ARROWHEAD SYMBOL - within an equilateral triangle, is intended to alert the user to the presence of uninsulated dangerous voltage within the products enclosure that may be of sufficient magnitude to constitude a risk of electric shock to persons.

EXCLAMATION POINT - within an equilateral triangle, is used to indicate that a specific component shall be replaced only by the component specified in that documentation for safety reason.

The following label has been affixed to the unit, listing the proper procedure for working with the laser beam:

CLASS 1 LASER PRODUCT LABEL -
This label is attached to the place as illustrated to inform that the apparatus contains a laser component.

WARNING LABEL INFORMING OF RADIATION -
This label is placed inside the unit. As shown in the illustration. To warn against further measures on the unit. The equipment contains a laser radiating laser rays according to the limit of laser product of class 1.

SAFETY INSTRUCTIONS

1. **READ INSTRUCTIONS** - All the safety and operating instructions should be read before the appliance is operated.
2. **RETAIN INSTRUCTIONS** - The safety and operating instruction should be retained for future reference.
3. **HEED WARNINGS** - All warnings on the appliance and in the operating instructions should be adhered to.
4. **FOLLOW INSTRUCTIONS** - All operating instructions should be followed.
5. **WATER AND MOISTURE** - The appliance should not be used near water, for example, near a bathtub, washbowl, kitchen sink, laundrytub, swimming pool or in a wet basement.
6. **VENTILATION** - The appliance should be situated so that its location or position does not interfere with its proper ventilation. Do not place on bed, sofa, rug or similar surface that may block the ventilation openings, in a built-in installation, such as a bookcase or cabinet that may impede the flow of air through the ventilation openings.
7. **HEAT** - The appliance should be situated away from heat sources such as radiators, stoves, or other appliances (including amplifiers) that produce heat.
8. **POWER SOURCE** - The appliance should be connected to power supply only of the type described in the operating instructions or as marked on the appliance.
9. **POWER CORD PROTECTION** - Power supply cords should be routed so that they are not likely to be walked on or pinched by items placed upon or against them.
10. **POWER LINES** - An outdoor antenna should be located away from power lines.
11. **OBJECT and LIQUID ENTRY** - Care should be taken so that objects do not fall and liquids are not spilled into the enclosure through openings.
12. **ESD WARNING** - The display does not function properly or no reaction to operation of any the control may due to the electrostatic discharge. Switch off and unplug the set. Reconnect after a few seconds.
13. **DAMAGE REQUIRING SERVICE** - The appliance should be serviced by qualified service personnel when:
    a. The power-supply cord or plug has been damaged.
    b. Objects have fallen into, or liquid has been spilled into the appliance enclosure.
    c. The appliance has been exposed to rain.
    d. The appliance has been dropped, or the enclosure damaged.
    e. The appliance does not appear to operate normally.
14. **SERVICING** - The user should not attempt to service the appliance beyond that described in the user operating instructions. All other servicing should be referred to qualified service personnel.

Notes:

a. Dirty or scratched CD may cause a skipping problem. Clean or replace the CD.
b. If an error display or malfunction occurs, disconnect the AC cord and remove all the batteries. Then turn the power back on.

BEFORE OPERATION

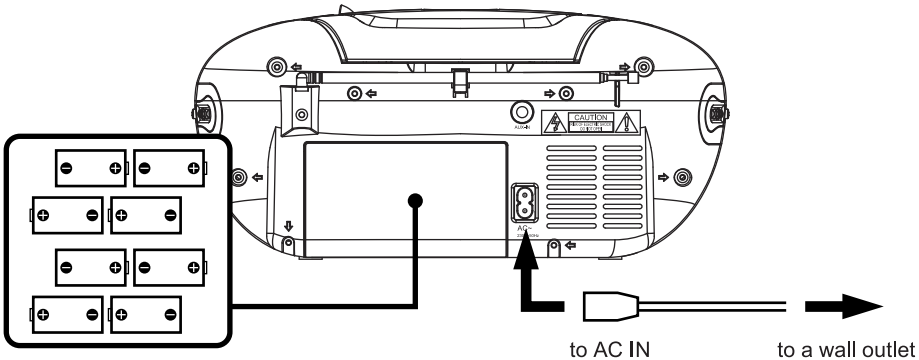

Notes: CONCERNING COMPACT DISCS.

Since dirty, damaged or warped discs may damage the appliance, care should be taken of the followings items:

a. Usable compact discs. Use only compact disc with the mark shown below.
b. CD compact disc only with digital audio signals.

POWER SOURCES

Insert 8 × “C” size batteries
into the battery compartment

AC POWER

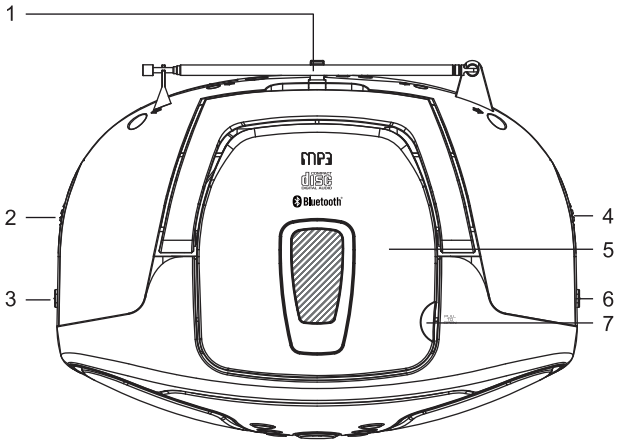

You can power your portable system by plugging the detachable AC power cord into the AC inlet at the back of the unit and into a wall AC power outlet. Check that the rated voltage of your appliance matches your local voltage. Make sure that the AC power cord is fully inserted into the appliance.

BATTERY POWER

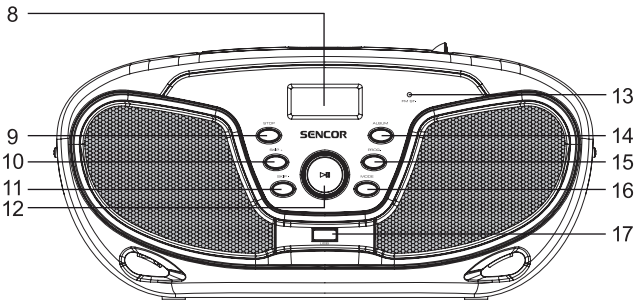

Insert 8 × “C” size batteries into the battery compartment. Be sure that the batteries are inserted correctly to avoid damage to the appliance. Always remove the batteries when appliance will not be used for a long period of time, as this will cause leakage to the batteries and subsequently damage to your set.

Notes:
- Use batteries of the same type. Never use different types of batteries together.
- To use the appliance with batteries, disconnect the AC power cord from it.

Please press and hold the PLAY/PAUSE button in the CD mode, enter the USB state, and then press and hold the PLAY/PAUSE key, enter the BT state, then you can connect to the BT.
- Set other available Bluetooth devices to search for this system until it recognizes “SPT3310”.
- Select “SPT3310” on Bluetooth devices to start pairing.

PLAYBACK

- When connected to Bluetooth device, unit will follow the playback on Bluetooth device automatically.
- Select desired level by using the “VOL +” or “VOL -” button.
- Corresponding command is sent to this system when connected Bluetooth device.
- You can select available features in your Bluetooth device (such as play/pause, skip track, fast forward / backward, menu selection) during playback.

CAUTION
Switch the device to a different operating mode to exit the Bluetooth mode.

TECHNICAL PARAMETERS

Stereophonic FM Radio:	87 – 108 MHz
USB connector:	(max 32 GB)
Power:	2 x 2 W (RMS)
Power supply:	AC 230V / 50 Hz or batteries 8 x 1.5V type C
Power consumption:	15W
Dimensions:	218 x 140 x 301 mm
Weight:	1.97 kg

SENCOR®

EN Warranty conditions

Warranty card is not a part of the device packaging.

This product is warranted for the period of 24 months from the date of purchase to the end-user. Warranty is limited to the following conditions. Warranty is referred only to the customer goods using for common domestic use. The claim for service can be applied either at dealer's shop where the product was bought, or at below mentioned authorized service shops. The end-user is obligated to set up a claim immediately when the defects appeared but only till the end of warranty period. The end user is obligated to cooperate to certify the claiming defects. Only completed and clean (according to hygienic standards) product will be accepted. In case of eligible warranty claim the warranty period will be prolonged by the period from the date of claim application till the date of taking over the product by end-user, or the date the end-user is obligated to take it over. To obtain the service under this warranty, end-user is obligated to certify his claim with duly completed following documents: receipt, certificate of warranty, certificate of installation.

This warranty is void especially if apply as follows:

- Defects which were put on sale.
- Wear-out or damage caused by common use.
- The product was damaged by unprofessional or wrong installation, used in contrary to the applicable instruction manual, used in contrary to legal enactment and common process of use or used for another purpose which has been designed for.
- The product was damaged by uncared-for or insufficient maintenance.
- The product was damaged by dirt, accident of force majeure (natural disaster, fire, and flood).
- Defects on functionality caused by low duality of signal, electromagnetic field interference etc.
- The product was mechanically damaged (e.g. broken button, fall).
- Damage caused by use of unsuitable media, fillings, expendable supplies (batteries) or by unsuitable working conditions (e.g. high temperatures, high humidity, quakes).
- Repair, modification or other failure action to the product by unauthorized person.
- End-user did not prove enough his right to claim (time and place of purchase).
- Data on presented documents differs from data on products.
- Cases when the claiming product cannot be indentified according to the presented documents (e.g. the serial number or the warranty seal has been damaged).

INSTRUCTIONS AND INFORMATION REGARDING THE DISPOSAL OF USED PACKAGING MATERIALS

Take the packaging material to a designated municipal waste facility.

DISPOSAL OF USED ELECTRICAL AND ELECTRONIC EQUIPMENT

This symbol on products or original documents means that used electric or electronic products must not be added to ordinary municipal waste. For proper disposal and recycling, take these products to designated collection points. Alternatively, in some European Union states or other European countries you may return your appliances to the local retailer when buying an equivalent new appliance. Through the correct disposal of this product you will help retain valuable natural resources and prevent potential negative effects on the environment, which could result from its incorrect disposal of waste. Ask your local authorities or collection facility for more details. In accordance with national regulations penalties may be imposed for the incorrect disposal of this type of waste.

For business entities in European Union states

If you want to dispose of electric or electronic devices, ask your retailer or supplier for the necessary information.

Disposal in other countries outside the European Union

This symbol is valid in the European Union. If you wish to discard this product, ask your local authorities or retailer about proper disposal.

CE The product meets EU requirements.

Hereby, FAST ČR, a.s. declares that the radio equipment type SPT 3310 is in compliance with Directive 2014/53/EU.
The full text of the EU declaration of conformity is available at the following internet address: www.sencor.eu

Changes to the text, design and technical specifications may occur without prior notice and we reserve the right to make these changes.
