

NGS GAMING HEADSET GHX-505

HEADSET WITH MIC-JACK 3,5MM VOLUME CONTROL

Enjoy full immersion in your game sessions thanks to its stereo sound quality through its 40mm speakers. Equipped with an impedance of 32 Ohm and power of 100mW, ensuring a unique acoustic environment for gamers.

Its adjustable microphone includes technology to suppress noise and provides excellent voice clarity giving the maximum realism to your games. You can hide it when you do not need it.

GHX-505 includes a 2m nylon cord that will provide maximum mobility, durability and ergonomics during the game. It features a 3.5 mm audio jack output and microphone, as well as a built-in microphone at hand for quick, precise audio adjustments.

Its ultra-comfortable headband is fully adjustable and has a wide compatibility with different users. Its high-quality soft cushion, that simulate leather, ensure extreme confort.

Finally, the headset has been designed in black color with blue details that confers a 100% gaming look.
